National Night Out

Texas Strong was the theme, and National Night Out was a big success once again this year; with 18 “Block Parties” in the city and 9 in the county. Our units were quite busy visiting all the sites and meeting all the great neighbors. Thanks to all that came out to participate and thanks to Cpl. Todd Ashorn for coordinating the event. **Fun was had by all!!**

High Fives All Around !!

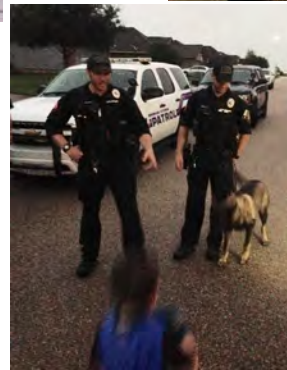

Above: Cpl. Lance Weiss finds alternate transportation to his next call. Nope, he was just having fun at N N O ; weeeee!!

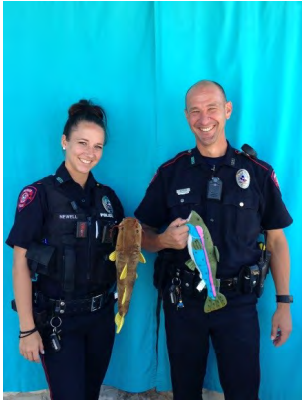

Hi Jean!!

The MRAP was even more popular than the fire truck at all the block parties this year. The K-9's were also very popular; too bad you can't pet them was the only negative comment heard that night.

While this year's N N O was essentially like last years, it seems like the interactions between us and the citizens gets better with every encounter. Even with the negative national press of late and the horrific events befallen the country lately; talking with these neighbors, answering questions, easing there fears was a somewhat cathartic experience for me.

There was great participation at N N O
by Police, Fire, EMS, S O and COPs.
Everyone was well represented.

Community Relations At It's Best

Above right: Captain Trey Gully gave our Community Relations efforts regarding Hurricane Harvey "Two Thumbs Up" and I tend to agree, as did the Texas National Guard. Below: The Texas National Guard presented all of the Brenham Community leaders and those most responsible for their pleasant stay here in LSA-Brenham with tokens of their appreciation; mostly in the form of plaques. Mayor Milton Tate, County Commissioner John Brieden, Fire Chief Ricky Boeker, Police Chief Craig Goodman, E-911's Kristi Stamnes, Captain Trey Gully, Cpl. Todd Ashorn and Firefighter Karl "Corky" Goessler were all singled out and awarded a plaque, even our Police Wives (Left); for all of their hard work housing and feeding from 50 to 500 troops at a time at the Fireman's Training Center; AKA - LSA Brenham!

149th Annual Fair Parade

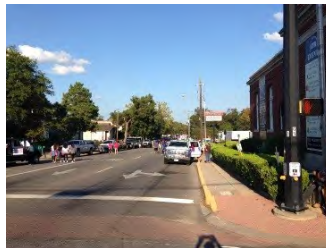

Above: Sgt. Seth Klehm's daughter, Tinley was named Little Miss at this years Fair!!
How cute is that - Very!!

Gotta Love a Parade!!

Go Cubs Go!!!

Below: At last months General Meeting our Guest Speaker was District Attorney Julie Renken. She spoke to us about new legislation that affects us and her office. She elaborated on the Michael Morton Act, Brady Evidence, discovery issues, asset forfeiture, Grand Jury reforms, pre-trial bonds; as well as the Sandra Bland Act and marijuana laws. After she spoke, there was a question and answer period; the evening proved to be very enlightening. A BIG THANK YOU to Julie for taking time out of her busy schedule for us!!

LSA— Brenham, will be remembered here for a long time; as will Hurricane Harvey!

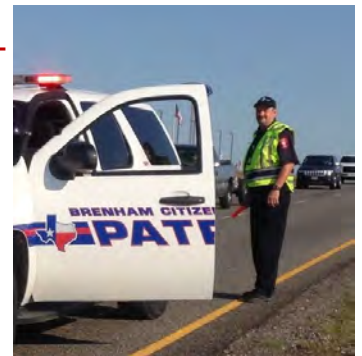

Below: Sgt. Justin Schiller and Ofc. Ashley Burns have a tough time choosing the right chocolates; as the variety was vast and they all tasted good. They were taking advantage of the offer of a free box of chocolates for all first responders between 12 and 2 pm on 9-28-17. I found out about it just in time to get by there; sorry there wasn't time to let my fellow COPs know about it. The offer was made by the owners of Jet Set Chocolates at 2403 -D S. Market Street (next to Lete's Exercise Studio); that's the co-owner Debbie Davis pictured with Ashley and Justin. They make everything with the freshest and best tasting ingredients. YUM!!

Left: Rob Aguilar was on hand to present Clara Kasprowicz her Radio Call Number - 4118 at last months General Meeting. **CONGRATS!**

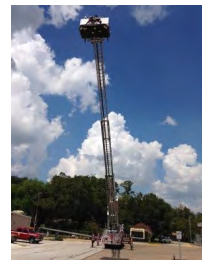

Right: Clarence Steinfeld assists the BFD by directing traffic at an accident scene on Highway 290 West recently. **Good Job!**

Left and Right: Thanks to Cpl. Todd Ashorn, Alyson Tofel, Ron Upchurch, Dorothy Antkowiak, Wayne Miller, Sherry Parker and Rob Aguilar as they stuffed envelopes for the Officer Santa Program.

A **BIG THANK YOU** to H.E.B. for hosting the First Responders Breakfast, which commemorates the Heroes of 9-11. It was held on Sept. 11th at the Fire Department EOC. The breakfast was great and the fellowship was even greater. And if that wasn't enough, the Fire Department took us up in their aerial basket (several H.E.B. employees took advantage of this unique tour of Brenham, from 100 feet up). So **thanks again to H.E.B. and BFD!**

Thanks H.E.B.

Below: Cpl. Todd Ashorn and Rob Aguilar made the rounds distributing Certificates of Appreciation to those businesses or entities that have continually stepped up to help the Brenham Police Department and the Citizens On Patrol program with our Community Service efforts (Blood Drives, Fundraisers, Public Service Announcements, Beverages, Food, etc.). We stopped by Max Donuts, Subway Sandwich Shop, K-TEX / KWHI Radio, KLTR Radio, Mike Hopkins Distributing, Kountry Boys Sausage, and the Brenham Banner-Press. We appreciate all that they do to help us, help our Department and our Community.

You all probably recognize the individuals in the photos, we made Dale's photo the largest, I guess we really like donuts, I mean Dale of course!

No Shave November

"No Shave November" is back at the Brenham Police Department. Starting October 1st and continuing through the end of November, members of the department will be allowed to grow facial hair in an effort to raise money for Adam's Angel Ministries.

Adam's Angels Ministries offers care and support to families with children fighting cancer. The organization also works to raise funds for cancer research. The Officers will be allowed to grow a beard or goatee if they personally donate at least \$25 a month to the charity. Officers can have a sponsor or sponsors to help in the fundraising effort, so that \$25 a month can be much, much more. Certain grooming standards must be maintained while on duty to ensure that they continue to present a professional appearance to the public.

The idea came from Sgt. Justin Schiller, last year. He said that the officers could donate the amount that they would normally spend on shaving to cancer research. It would be a good way for them to participate in a great cause, raise funds and raise awareness of one of the many challenges that cancer patients face - the loss of hair. While the BPD policy prohibits beards and goatees (except for Undercover Officers), the Chief thinks that this will give officers an opportunity to have a relaxed grooming standard for the benefit of a great charity.

Our officers have always been very supportive of Adam's Angels and are happy for the opportunity to get hairy in the name of charity. The Police Department has challenged all First Responders in the area to participate in No Shave November and raise funds in the fight against cancer. I know that the Fire Department can't accept the challenge because beards interfere with the breathing equipment that they wear, but I am sure that they will happily donate to the cause; at least I will.

Coffee with a Cop

By Rob Aguilar

Cpl. Todd Ashorn invited me to join the Coffee with a Cop forum, sponsored by Starbucks's. I had heard of the forum which is sponsored by different entities, with the goal of promoting a better relationship between Law Enforcement Officers and the public that they serve. We weren't alone at this summit, as Chief Craig Goodman, Cpl. David Webb, Cpl. Joe Merkley, and Ofc. Sierra Newell also showed up to field questions from concerned citizens. Starbucks's management was pleased that 6 Officers had managed to make it by, for what proved to be an interesting session. We mingled, drank coffee and munched on banana bread and pumpkin spice/crème cheese muffins (I guess your mouths are watering right about now; and they were delicious, as was the Mocha Frappuccino). We also fielded some tough questions; one individual was a bit confrontational in his manner of questions, but he was quite surprised at our answers and solutions to his queries. I guess I didn't know my place, as I too was fielding questions and adding to the comments already made by Todd and the Chief. (Todd later told me it was fine, as I appeared very knowledgeable and added a different perspective to the conversations). Thanks to Cpl. David Webb, Cpl. Joe Merkley, Cpl. Todd Ashorn, Ofc. Sierra Newell, Chief Goodman and our photographer Alyson Tofel for making this Coffee with a Cop forum a successful public relations event and community service activity. I am glad I got to participate!
