## High Fives All

Cpl. Tommie Kurie is recognized by the Brenham Independent School District Board of Trustees (of which, Sgt. Raven is one) and it's Superintendent. **Congratulations !**

Guess who I ran into while taking in a Play. It's Dorothy Ann and James Rothermel. They said to tell everyone hello. Don't they look great! I did remind them that our meetings are still on the 2nd Monday of the Month; and we would love for them to stop by. I guess we will have to wait and see.

I would like to take this opportunity to apologize to Sgt. Seth Klehm for not being able to make the visitation and the funeral for his father, retired BPD Sgt. Larry Wayne Klehm. And further, to say that he has my condolences and those of our whole organization. While I am sure that he understands; I just want to make sure that he knows how we feel. While speaking with some of the older law enforcement officers, I got a glimpse into what kind of man his father was; and what he meant to those who knew him. **He will be missed.**

Along those same lines, I would like to reiterate the sentiments that I conveyed to Juanita Hickey on the passing of her son James. James Lee Hickey was born on March 4th 1960 and went to his eternal home finding peace and rest on September 27, 2016 at Baylor Scott and White Hospital in Temple, TX. Juanita is going through a rough patch, but has family staying with her through this trying time. I hope she knows that she can count on her other family too; the CPAAA. We're praying for you and your family, and the Klehm family, as well. **May God Bless You All**

And I thought only kids were allowed to fish. Duder proved me wrong; again!

### The Kid Fish Fingerprinting Crew

Annette Tiemann, Kevin Braun, Ron Wise, Sue Braun, Ceci Wagner, Wanda Aguilar, Rob Aguilar (Rob took the photo) Ofc. Sierra Newell and Cpl. David Dudenhoeffer provided even more P R (113 Children were printed)

## Community Relations At It's Best

Such finesse , its like a dance watching Cpl. David Dudenhoeffer clean debris from the roadway. He got moves! He had help, his dance partner was Ofc. Sierra Newell. From Len the Ten!!

Parades are also good for Community Relations. **Good Job Jose!**

Yes, Cleaning debris from the roadway does constitute Community Relations. Think about it; when you run over glass on the highway, who does the average person blame? And passing motorists don't just see us standing around! So **good job guys**; the fact that it was so rhythmic was an added plus!

The week before Kid Fish we had a fingerprinting assignment at Lowe's for their annual Safety Day. We printed 43 children. Special thanks to Annette, Ron, Wanda and Rob.

Ofc. Sammy retires and his old family is now his permanent new family!

Above 3 photos: Sgt. Hall, Cpl. Campbell, Cpl. Eilert, Capt. Gully, Capt. Lange, and Cpl. Jackson were on hand at the Brenham Junior High Pep Rally for BPD. We in turn (below) returned the Love with our own Banner, planted by Cpl. Chris Jackson, Cpl. Lance Weiss and Cpl. David Webb!!

The BPD is presented with a check for \$500 from the Brazos Valley Chapter of the Los Carnales/La Familia Motorcycle Club. You may recognize some of the members, they are local LEOS; and a great bunch of guys !!

A **BIG THANK YOU** to H.E.B. for hosting this First Responders Luncheon, which commemorates the Heroes of 9-11. It was held on Sept. 12th at the Fire Department EOC. Lunch was great and the fellowship was even greater. And if that wasn't enough, the Fire Department took us up in their aerial basket (several H.E.B. employees and COPs took advantage of this unique tour of Brenham, from 100 feet up). So **thanks again to H.E.B. and BFD!**

Left: Who knew the City and County COPs got along so well. Right: Someone looks a bit embarrassed! Don't worry Wanda its just Kent being Kent !!

*Thanks H.E.B.*

## NO SHAVE NOVEMBER

“No Shave November” has taken on a whole new meaning at the Brenham Police Department. Starting October 1 and continuing on through the end of November, members of the department will be allowed to grow facial hair as a fundraiser benefitting Adam's Angels.

Adam's Angels Ministry offers care and support to families with children fighting cancer. The organization also works to raise funds for cancer research.

“Beginning Oct. 1 through Nov. 30, officers will be allowed to grow a beard or goatee if they personally donate at least \$25 per month to Adam's Angels. Officers are allowed to have a sponsor if they choose and certain standards must be maintained while on duty to ensure they continue to present a professional appearance to the public,” said Chief Craig Goodman.

The idea for the fundraiser came from one of the sergeants, Goodman said, and after some consideration he agreed.

“The goal of No Shave November is to grow awareness of one of the many challenges cancer patients face – the loss of hair. Participants are encouraged to donate the money they would have spent on shaving to cancer research. Sgt. Justin Schiller suggested the idea as a way to allow the officers to participate,” Goodman said. “Our policy prohibits beards and goatees so this gives the officers an opportunity to have a relaxed grooming standard for the benefit of a great charity.”

“Officers must keep facial hair neatly groomed and maintained while in uniform. Our officers are very supportive of Adam's Angels and are happy for the opportunity to get hairy in the name of charity,” he said. “We want to take this opportunity to challenge all first responders in the area to participate in No Shave November and raise funds in the fight against cancer.”

Below are some examples of bearded Police Officers. I think some don't look to bad; especially if you are an undercover officer!!

The Brenham Police Department, Washington County Sheriff's Office, Texas Department of Public Safety, Washington County Constables Offices, Washington County EMS, Washington County Dispatch, and the Brenham Fire Department participated in a multiple agency training scenario. The scenario was one that all citizens dread the most, an active shooter in a school. All members of the training scenario pulled together and successfully achieved their goal, preserving the lives of the innocents. First responders know the importance of training and this was affirmed and put into action today. This scenario was the first of many multi-agency training scenarios to come.

**Great Job by all agencies involved!**
