

The Informant

Farewell Edition

Brenham Police Chief Allwin Barrow Jr. announced his retirement at last Thursday's City Council Meeting. The rumors were swirling at PD, the announcement put those rumors to rest. Chief Barrow's retirement is effective as of November 22nd. The Chief said that "he had planned to

stay in Brenham much longer, but the wheels of change started turning pretty quickly". His wife recently received an opportunity to serve as a partner for Fox Rothchild, an internationally recognized law firm in Dallas; the opportunity was too good to pass up; and his commute would be near

impossible. While he will be missed, there is a silver lining; Rusty Pancoast will be our interim Police Chief. I will hate to see Allwin go, but, will be happy to see Rusty back in Brenham!

CPAAA Drive Thru Fundraiser is a Big Success !!

The final tally is in, we sold approximately 1250 tickets.; and netted a profit of \$5,696.73 after all of our expenses were tallied. We should be quite proud of our efforts, and we have gotten tons of positive feedback. We will discuss the fundraiser in detail at Monday's Meeting. *Hope to see everyone there!* Photos Pg. 5

“Spring Forward/Fall Back”. I know everyone turned their clocks back last week, but did we all check our smoke detectors? It’s that time of year when we change the batteries in our smoke detectors (and or carbon monoxide detectors), for safety sake and peace of mind. Changing those batteries is a very important task. It’s one that I take seriously; having seen firsthand the benefits of early warning in cases of fire and the tragedy that ensues when they don’t work. So, yes I am urging everyone to check their detectors and change those batteries. But, I also want to remind everyone to dispose of those batteries correctly and responsibly; that means recycling. I can’t wait to Spring Forward!
