WAIVER REQUEST

I am requesting a Space Constraint and/or Historical Landmarks Waiver from the grease and/or grit trap/interceptor installation requirements of Section 26-146(a)(4)(b) of the City of Brenham Code of Ordinances.

Reason for Request (check all that apply):

☐ No feasible location exists for installation.

☐ Installation would conflict with ADA/TAS accessibility requirements.

☐ Existing building limitations.

☐ Existing underground utilities.

☐ Historical building constraints.

☐ Other (describe): _____

ALTERNATIVE PROPOSAL

Describe the alternative grease and/or grit management method you are requesting (attach additional sheets if necessary).

Examples may include:

- Above-ground interceptor
- Under-sink grease trap (subject to City approval)
- Enhanced cleaning schedule
- Other engineered solution

PROPOSED MAINTENANCE PLAN

If an alternative device is proposed, describe the maintenance schedule.

Cleaning Frequency:

- ☐ Weekly
☐ Biweekly
☐ Monthly
☐ Other: _____

☐ Other supporting documentation

APPLICANT ACKNOWLEDGEMENT

I understand that:

- Submission of this application does not constitute approval of a waiver.
- The General Manager of Public Utilities may require additional information before making a determination.
- If approved, I must comply with all conditions of the waiver, including implementation of Fats, Oils, and Grease (FOG) Best Management Practices (BMPs).
- I understand that a wastewater discharge sample port may be required at my expense.
- I understand that the annual waiver fee established by City Ordinance (§26-149) is \$150.00, payable annually by January 5.

- I understand that the City reserves the right to revoke or reevaluate an approved waiver based on inspections, monitoring results, or changes to the facility.
- I understand that approval of an under-sink trap or any alternative grease and/or grit trap/interceptors is at the sole discretion of the City and must provide adequate protection of the sanitary sewer system.
