Subject: Training on New Board Policy and Procedures

Date: April 14, 2022

The Texas Attorney General has ruled that if the governing body is likely to rubber stamp an action or choice of an Advisory Board/Committee, the Board/Committee shall be considered an "extension arm" of the governmental body.

Due to this ruling by the AG, board members – like you – are considered city officials and with that determination comes additional responsibility. Therefore, in May 2021 Mayor Tate appointed a Council Subcommittee (Councilmembers Canales, Cook and Saunders) to review the city's policy on advisory boards and commissions. The Subcommittee met over several weeks and reviewed each of the city's 12 advisory boards and each section of the policy.

During the review of the policy, the subcommittee charged me with communicating the changes to the policy to all boards as well as training board members on topics such as: Texas Open Meetings Act, Parliamentary Procedure, Conflict of Interest, and the Basics of Public Information.

I know that all of you have had this training so at the meeting, I will discuss the changes made to the policy and talk briefly about how in today's world e-mail and social media can largely affect the legal requirements of the Open Meetings Act. I will also give a brief refresher on conflicts of interest.

MEMORANDUM

To: BCDC Board and City Manager

From: Stacy Hardy, Director of Finance

Subject: BCDC 2nd Quarter FY21-22 Financial Statements

Date: April 14, 2022

Attached are the second quarter FY21-22 financial statements for BCDC. Notable trends or transactions are discussed below.

Sales Tax Revenue

For FY22, we increased our sales tax revenue budget by 3% over the prior year's revised annual estimate. With five months (October thru February) of collections received and an estimate used for March, FY22 sales tax revenue is trending above budgeted levels. October thru February collections were \$144,679 above budget.

Financial Statements – Fund 250

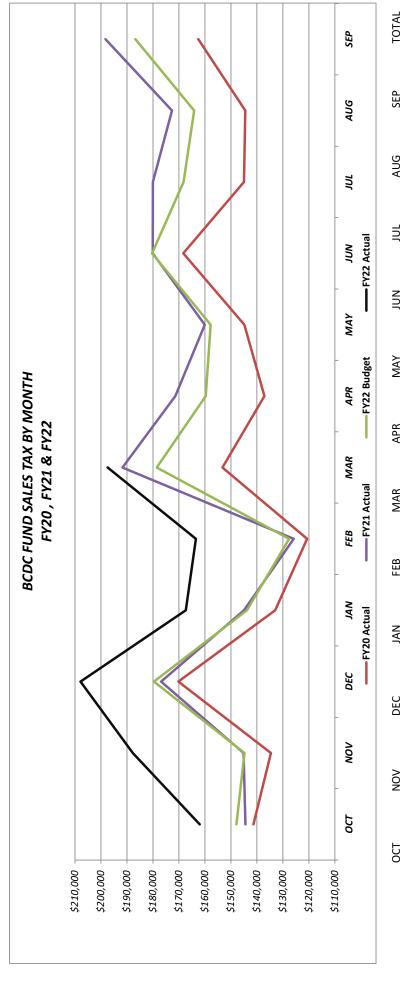

The *Economic Development* operations report shows an operating surplus of \$261,201 for the second quarter of FY22. In March, BCDC sold 2.787 acres in the Brenham Business Center to Brenham Kitchens. Of the \$139,350 sales price, \$11,890 was recognized as Brenham Kitchens' contribution towards the shared detention pond. Matching contributions for Main Street Incentive Grants were made to 4 businesses and totaled \$9,375 and \$9,813 has been contributed to date for support of the Incubator Program. All operating expenditures are within budgeted levels.

The *Recreation* side ended the quarter with an operating surplus of \$192,974. Seven (7) of the seventeen (17) parks and recreation projects funded in the FY22 budget were completed as of March 31, 2022. The remaining projects will be completed in the third and fourth quarters of FY22. The \$265,000 which was budgeted for Brenham Family Park infrastructure costs has been transferred to the BCDC Capital Projects Fund.

BCDC Capital Projects – Fund 252

Engineering work continues for the Brenham Family Park with \$15,829 being paid to Quiddity Engineering (formerly Jones & Carter) in FY22. As mentioned above, BCDC's contribution of \$265,000 for park infrastructure costs is reflected in the available fund balance of \$1,134,062. Because BCDC has not actually received the funds for the \$750,000 Texas Parks and Wildlife Grant, it is not yet reflected on this financial statement.
