MEMORANDUM

To: BCDC Board

From: Carolyn Miller, City Manager

Subject: Update on the FY2023-24 Budget

Date: July 31, 2023

At the July 6, 2023 BCDC meeting, the FY2023-24 Budget was discussed and approved by the Board. However, there were some outstanding questions, and this item will provide an update and detailed information to the Board.

- 1) Memo from Cary Bovey, City Attorney, regarding the reimbursement payment from BCDC to the General Fund for maintenance and operations of park and aquatic facilities and administrative support to the City.
- 2) Schedule of General Fund revenues derived from park field rentals, aquatic center revenues and intergovernmental support (Blinn College and BISD).
- 3) Aquatics Department expenditures for the FY2023-24 Proposed General Fund budget.
- 4) Parks Department expenditures for the FY2023-24 Proposed General Fund budget.

Please let me know if you have any questions prior to the meeting on August 8th. Thank you.

MEMORANDUM

- TO: Carolyn D. Miller City Manager/BCDC President
- FROM: Cary L. Bovey, City Attorney
- **DATE:** August 1, 2023

RE: Reimbursement Payment for Administrative Support Costs

A question has been raised regarding whether the Brenham Community Development Corporation ("BCDC") may legally fund maintenance and operation costs for City parks and recreation facilities, specifically whether the BCDC may reimburse the City of Brenham ("City") for administrative support services provided by the City staff to the BCDC.

Section 505.303(a) of the Texas Local Government Code provides:

Sec. 505.303. PAYMENT OF MAINTENANCE AND OPERATING COSTS; ELECTION. (a) The costs of a publicly owned and operated project purchased or constructed under this chapter include the maintenance and operating costs of the project.¹

There is a statutory process by which the voters of the City may petition for an election to prohibit the payment of maintenance and operation costs related to a project.² However, such an election is not necessary where the voters have previously approved such costs at an election held by the City.³ On May 6, 1995 the City held an election under Section B of the Development Corporation Act (now referred to as Type B economic development corporations) regarding approval of a sales tax rate of 3/8 of one percent. The voters approved the 3/8 cent economic development sales tax at said election. The wording of the ballot proposition stated:

The adoption of a sales and use tax within the City for the development and operation of park facilities and the promotion and development of new and expanded business enterprises at the rate of three-eighths of one percent under the Development Corporation Act, Section 4B.

¹ TEX. LOC. GOV'T CODE § 505.303(a).

² TEX. LOC. GOV'T CODE § 505.303(b).

³ TEX. LOC. GOV'T CODE § 505.303(c); see also Tex. Att'y Gen. Letter Opinion No. 98-062 (1998).

Pursuant to the ballot proposition approved by the voters in 1995, the BCDC is authorized to pay operational costs related to park facilities, including but not limited to administrative expenses. Accordingly, as part of the costs of operation of park facilities, the BCDC may reimburse the City of Brenham ("City") for administrative support services provided by City staff to the BCDC.

Further, in 2016, the BCDC and the City entered into an "Agreement for Management, Administrative and Technical Services Between the City of Brenham and Brenham Community Development Corporation" ("Agreement") in 2016 for the City to provide assistance to the BCDC "in managing, administering and providing technical services for the economic development programs and projects approved by the BCDC" due to the BCDC not having its own staff to provide these types of services. In exchange for the services provided by the City to the BCDC, the BCDC is authorized to reimburse the City for costs or expenses incurred by the City in providing the services to the BCDC as described in the Agreement. This Agreement renews annually unless either party provides written notice to the other party of its intent to not renew the Agreement at least 30 days prior to the end of the then current term. Such notice of non-renewal has not been issued by either the BCDC or City and the Agreement remains in effect. As authorized by the Agreement, the BCDC may reimburse the City for administrative support services provided by City staff to the BCDC. A copy of the Agreement is attached to this memorandum.

Please let me know if you have any questions or if I can provide additional information.

AGREEMENT FOR MANAGEMENT, ADMINISTRATIVE, AND TECHNICAL SERVICES BETWEEN THE CITY OF BRENHAM AND THE BRENHAM COMMUNITY DEVELOPMENT CORPORATION

This Agreement is made and entered into by the City of Brenham, a home-rule municipal corporation situated in Washington County, Texas (hereinafter "CITY"), and the Brenham Community Development Corporation, an economic development corporation formed pursuant to the Industrial Development Act of 1979, now codified in Chapter 501, et seq., Texas Local Government Code (hereinafter "BCDC").

WHEREAS, the BCDC does not have management, administrative, or technical staff necessary to carry out its powers and functions as provided by applicable law; and

WHEREAS, the CITY desires to provide management, administrative, and technical staff necessary for the BCDC to carry out its powers and functions as provided by applicable law, and in order to promote local economic development and to promote new and expanded business and commercial activity in the City; and

WHEREAS, article 3, §52-a of the Texas Constitution and Chapter 380 of the Texas Local Government Code authorize the CITY to establish and provide for the administration of a program to provide personnel and services of the City to the BCDC to promote local economic development and to stimulate business and commercial activity in the CITY; and

WHEREAS, the CITY is authorized to contract with public or private entities to carry out statutorily authorized functions; and

WHEREAS, the CITY and BCDC believe that this Agreement is necessary in order to ensure the most effective operation of the BCDC in carrying out its powers and functions as provided by applicable law; and

WHEREAS, the CITY hereby determines that the BCDC's promotion of local economic development and the stimulation of business and commercial activity in the CITY, and the benefits accruing to the CITY as a result thereof, constitutes adequate consideration for the CITY's provision of management, administrative, and technical services to the BCDC pursuant to this Agreement;

NOW THEREFORE, for and in consideration of the mutual undertakings hereinafter set forth and for adequate consideration, the sufficiency of which is hereby acknowledged, the parties agree as follows:

- 1. CITY agrees, within the sole discretion of the Brenham City Manager, to utilize CITY employees, personnel, funds, and other resources designated by the City Manager to assist the BCDC in carrying out its powers and functions as provided by applicable law, in order to promote local economic development and to promote new and expanded business and commercial activity in the CITY. It is the express purpose of this Agreement to have the City Manager, or his designee(s), to implement, administer, and carry out the duties that an executive director or other staff of the BCDC would have in managing, administering, and providing technical services for the economic development programs and projects approved by the BCDC, in accordance with the policies and directives of the BCDC. Any and all employees of the CITY providing services to the BCDC pursuant to this Agreement shall at all times remain CITY employees under the direction and supervision of the City Manager or his designee(s).
- 2. All services provided by the CITY to the BCDC shall be deemed to be a program to provide personnel and services of the City to the BCDC to promote local economic development and to stimulate business and commercial activity in the CITY as authorized by article 3, §52-a of the Texas Constitution and Chapter 380 of the Texas Local Government Code. BCDC further agrees to reimburse the CITY for any out-of-pocket costs or expenses incurred by the CITY in providing the services described herein to the BCDC. In the event the BCDC does not timely reimburse the CITY for said costs or expenses as required herein, the CITY shall be authorized to deduct and retain the amount of any delinquent payment due to the CITY upon receipt of and out of any economic development sales tax revenues received from the Comptroller of Public Accounts for the State of Texas, in addition to any other remedy available to the CITY at law or equity. The CITY and the BCDC acknowledge and agree that the respective obligations and undertakings of each party as set forth herein constitute adequate consideration to the CITY and BCDC.
- 3. This Agreement shall commence on the _____ day of ______, 2016, and shall remain in effect for a period of one (1) year. This Agreement shall automatically renew annually for a subsequent one (1) year term unless either party provides written notice of termination to the other party at least thirty (30) days prior to the end of the then current term. Notwithstanding any other provision herein, either party hereto may terminate this Agreement for convenience, with or without cause, upon thirty (30) days written notice to the other party.
- 4. This Agreement shall be construed in accordance with the laws of the State of Texas, including all applicable constitutional provisions, statutes, ordinances, and resolutions. Venue and jurisdiction of any suit or right or cause of action arising in connection with this Agreement shall be exclusively in Washington County, Texas.

- 5. In the event any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, then such invalidity, illegality, or unenforceability shall not affect any other provision thereof and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.
- 6. This Agreement constitutes the sole agreement of the parties hereto, and supersedes any prior understandings or written or oral contracts between the parties respecting the subject matter defined herein. This Agreement may only be amended or supplemented by mutual agreement of the parties hereto in writing.
- 7. This Agreement and all of the covenants herein shall inure to the benefit of and be binding upon CITY and BCDC respectively and their successors, assigns, and legal representatives. However, neither party shall have the right to assign this Agreement without the express written consent of the other party.

EXECUTED this <u>Bth</u> day of <u>September</u>, 2016.

MEMORANDUM

То:	Brenham Community Development Corporation (BCDC) Board of Directors
From:	Teresa Rosales, Economic & Community Development Director
Subject:	D Bar B Sausage & Meats, LLC Expansion
Date:	August 3, 2023

City staff recently received an inquiry from a contractor who is working with D Bar B Sausage & Meats, LLC (we know them as Kountry Boys Sausage) on a potential expansion to their existing building at 1909 Longwood Drive (R46714). They are asking for a meeting to discuss the preliminary site plan to see if moving forward is appropriate.

This expansion is to their processing facility cooler in order to accommodate increased production. Once they have reviewed plans and CC&Rs with city development staff, we will bring an additional update.

A tour of the facility was recently conducted by myself, Mayor Kenjura and City Manager Carolyn Miller. The business began in 1998 and is currently operated by Brian Bender, President and Todd Steele, Vice President. Their food (smoked meats, baked goods and seasonings) is sold across the Southern United States and Mexico through 1,200 retail partners including Food Town, Kroger, Fiesta and Walmart.

A discussion was had about the other property purchased in the Southwest Industrial Park on 8/1/22 known as R63671, along Industrial Blvd. The current economic environment with increased interest rates has made construction on that site cost prohibitive for now. However, they do have an immediate need. The current location for their tractor/trailer and box truck parking is changing hands, so they need to find a new parking location. They inquired about the possibility of using this land for that purpose. After reviewing CC&Rs and discussions with Stephanie Doland, this is an appropriate use for this tract.

MEMORANDUM

То:	Brenham Community Development Corporation (BCDC) Board of Directors
From:	Teresa Rosales, Economic & Community Development Director
Subject:	Irby Lease
Date:	August 3, 2023

City staff recently received a 30-day notice of the intention to terminate the lease at 2501 Longwood Drive.

They expect to vacate the property on or before August 14, 2023.

I had a conversation with Jaxxon Grisham at Irby Construction and reminded him of the clause to ensure that the property is brought back to pre-lease condition.

3. Discussion and Presentation Related to a Request from Capital Westview Partners, LLC for Variances to the Restrictions, Covenants, Easements, and Conditions of the Brenham Business Center

Director of Development Services Stephanie Doland presented this item. Doland explained that on May 24, 2023 City Staff received written correspondence from Richard Rolland, Managing Partner of Capital Westview Partners, LLC (CWP) requesting formal variances be considered by the BCDC for three development criteria of the CCR's. The variances requested by CWP were as follows:

- Variance #1: A request for a reduction to the minimum building square footage (SF) to acreage ratio from the minimum of 7,000 SF building per acre to 3,800 SF building per acre.
- Variance #2: A request for four (4) driveway entrances along a Lot frontage of approximately 640-feet where one (1) driveway is permitted per lot in accordance with the recorded CCR's.
- Variance #3: A request to allow the use of mercantile/retail use in addition to manufacturing and warehouse use where retail sales are currently disallowed per the recorded CCR's.

Doland stated that the CCR's read in Section 4: "The BCDC or its designated committee may, in its sole and absolute discretion, grant a variance to these covenants, conditions and restrictions where enforcement of one or more of the same would result in hardship to the lot owner, provided that such variance will not adversely affect the development plan of the Brenham Business Center." Therefore, the BCDC has the authority to grant or deny one or any combination of the variances requested by CWP. The Board then discussed the details of each variance.

4. Discussion and Presentation of the 5-Year Financial Outlook

Strategic Budget Officer Tim McRoberts presented this item. McRoberts provided the Board with the following information related to a five-year financial outlook and forecast:

• Purpose of the Five-Year Forecast

- Help analyze revenue trends and major expenditures over the course of several years to better prepare and forecast future BCDC operations.
- Forecasting several years ahead can help give context beyond just current obligations and operations.
- Although BCDC has independent revenue streams, economic development and recreation decisions can directly affect both the City's General & Utility funds.

Overall Financial Outlook

- Main source of BCDC revenue, sales tax, is very strong,
- Partnership with Washington County allows our economic development dollars to go further.
- BCDC has been able to fund major Parks & Recreation improvements while also being instrumental as an economic activity driver for both new and existing businesses.

• Five-Year Financial Outlook & Forecast

- Financial outlook for BCDC is very healthy. As Brenham continues to attract new development these estimates should prove to be conservative.
- There is opportunity for new programs and growth within this fund. However, in light of this good news it is critical to examine the challenges other City entities are currently facing.

		RECREATION		EC	ONOMIC DEVEL	OPMENT

• Long-Term General and Utility Fund Challenges to Note

- Public Safety Programs
- Property Tax Relief
- Inflation, labor shortages, supply chain issues
- \circ Legislative changes on the horizon
- Water Plant/Capacity Expansion
- Impact Fees

• Long-Term General and Utility Fund Strategies

- o Revenues
 - Current and proposed limitations on the City's ad valorem tax, will make the City more reliant on other revenue streams. Sales tax (retail) will prove to be the most important revenue moving forward.
 - Increases for charges for service, and growth-related fees must be increased to offset rising costs.
 - Intergovernmental agreements must be looked at to make sure they are fair and equitable.
- Expenditures
 - Personnel remains the single biggest cost for the City moving forward (70% of budgets with constant upward pressure). Most of the City's future M&O property tax and sales tax revenue increases will have to go towards maintaining our existing staff.
 - Funding and issuing debt for the Water Plant expansion will be a significant challenge and will include a multitude of strategies to accomplish.

• General Fund Snapshot Cost by Department

- Top 5 departments and their total cost to operate are:
 - Police: \$5,706,308
 - Parks: \$2,928,741
 - Fire: \$2,915,112
 - Streets: \$2,817,299
 - Aquatics: \$1,432,599

• How Does This Relate to BCDC

- A new approach, not only to show BCDC a wider financial picture, but to also to tie in the long-term outlook of all City entities.
- It is helpful to understand the challenges the City faces on a whole when formulating policies and strategies.
- Vital to look at the issues through a collective lens.

McRoberts advised the Board that the FY2023-24 budget needs to have some sort of subsidy from the BCDC to help cover the maintenance and operations cost of aquatics and parks. McRoberts explained that as the costs of providing parks and aquatic services has increased it is getting more difficult for the City to carry the full financial burden of these operations.

5. Discussion and Update on Property Owned by B. L. Smith d/b/a Brenham Kitchens in the Brenham Business Center

City Secretary and Director of Administrative Services Jeana Bellinger presented this item. Bellinger explained that Chairman Moser requested information on how the 18-month option period outlined in Section 5 of the Restrictions, Covenants, Easements, and Conditions for the Brenham Business Center affects the 2.787-acre tract purchased by Brenham Kitchens in February, 2022.

Bellinger advised that the 18-month period on the Brenham Kitchens property will expire on/or around August 24, 2023 and that the tract was sold for \$139,350.00 (\$50,000 per acre). Bellinger stated that the Restrictions state that if the BCDC would like to exercise their right to repurchase any property due to the Owner's failure to construct, BCDC shall notify the owner in writing; however, if the BCDC fails to notify the Owner within six months after the expiration of the 18-month period, the right to re-purchase is waived.

The Board asked Community and Economic Development Director Teresa Rosales to reach out to Brenham Kitchens and see what their plans are for the tract and to bring this item back for an update in August.

6. Discussion and Update on the Lease Agreement with Irby Construction Company for Approximately 28.7 Acres of Land in the Southwest Industrial Park, Section III

Community and Economic Development Director Teresa Rosales presented this item. Rosales explained that on August 11, 2022, the BCDC entered into a one-year lease with Irby Construction Company on 28.67 acres in the Southwest Industrial Park.

Rosales advised that the terms of the lease are \$137,375.15 (\$0.11 per square foot) for the initial term of one (1) year, paid in advance. The agreement also notes, "Thereafter, in the event the Lease Agreement is continued on a month-to-month basis, the monthly rental amount shall be \$11,447.93, paid in advance, on or before the first day of each month." Rosales stated that staff is seeking direction on whether BCDC has an interest in continuing or terminating the lease. The termination date of the lease is August 14, 2023.

The Board advised that Rosales reach out to Irby Construction and see how much longer they need the property and to bring back an update in August.

The Board adjourned into Executive Session at 8:15 a.m.

A. Economic Development and Main Street

Economic and Community Development Director Teresa Rosales presented the Board with the FY2023-24 Economic Development and Main Street budgets. Rosales stated that the Main Street budget request mirrors last year's request of \$30,000 for the Economic Impact and Innovation Grant (EIIG) and \$21,000 for the Incentive Grant Fund. The total ask is \$51,000 from BCDC with a dollar-for-dollar match from Main Street raised funds.

Rosales advised that the Economic Development budget reflects the County investment of \$100,000 per year. The following items reflect expenditures for department:

Item		Amount
Personnel		\$ 225,889
Operations		\$ 55,464
Marketing		\$ 41,600
Programs & Partnerships		\$1,206,100
Business Park Maintenance		\$ 24,795
Professional Services		\$ 37,500
Debt Service		\$ 265,512
	Total Budget	\$1,856,860

Rosales explained that the Professional Services estimate includes the services of a consultant for the creation of an Economic Development action plan that will identify target industries for the betterment of our community. The proposed budget for FY 2024 is \$1,856,860 which includes 1) the Blue Bell Road Extension-Engineering & Design of \$118,000 and 2) the James Nutt Blvd. – Sewer extension, Brenham Business Center of \$828,000.

MEMORANDUM

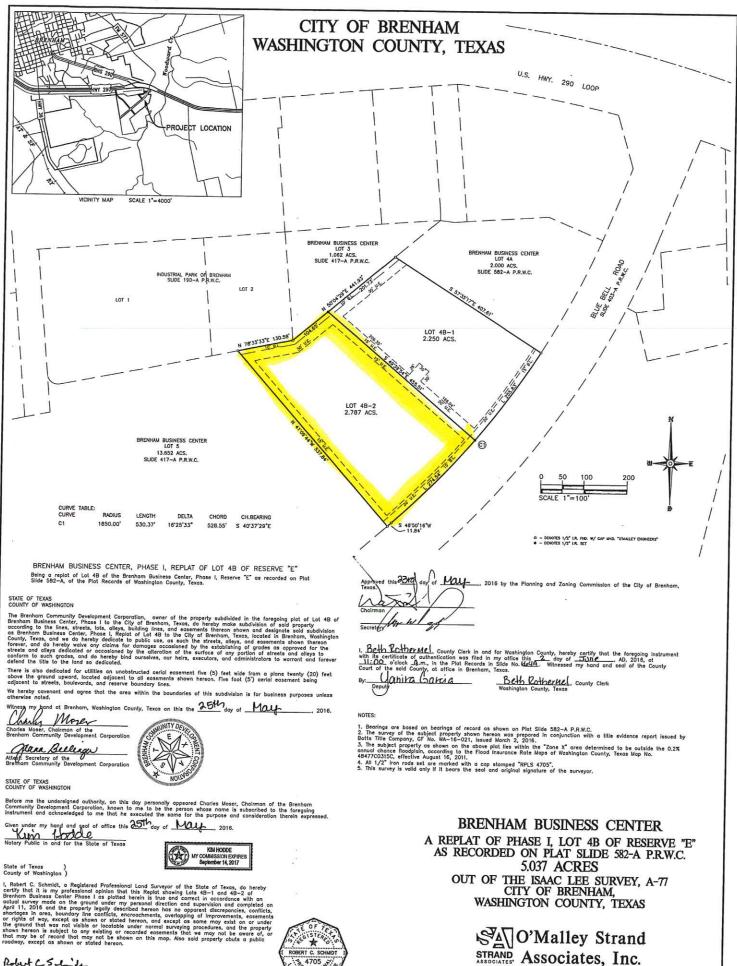

To:	Brenham Community Development Corporation (BCDC) Board of Directors
From:	Teresa Rosales, Economic & Community Development Director
Subject:	Brenham Kitchens Update
Date:	August 3, 2023

A conversation was recently had with Brian Smith, owner of Brenham Kitchens, with respect to his intention to construct a building on the property located on that certain 2.787 acre tract or parcel of land noted as Lot 4B-2 on the attached **Exhibit A**.

Since the purchase, he has researched cost estimates for construction and due to economic concerns, especially those related to increased interest rates, he does not foresee being able to afford to build now or anytime in the foreseeable future.

This property was sold for \$139,350 and consummated on February 24, 2022.

Staff is requesting board direction on developing steps to repurchase property.
