24 HOUR WORK ON FM 389

Expect minor delays

January 23, 2019

WASHINGTON COUNTY– Beginning Monday, January 28, 2019, the Texas Department of Transportation's (TxDOT) contractor will begin 24-hour operations on FM 389 in Brenham. For the next five days they will be working around the clock to expedite a large portion of the remaining pavement on FM 389.

Motorists who travel this area will encounter flaggers with one-way operations controlled by a pilot vehicle through this work zone. Motorists should expect some minor delays.

This \$4.2 million rehab work of FM 389 is contracted to Angel Brothers Enterprises out of Navasota. TxDOT and their contractor appreciate everyone's patience during this work.

For more information, contact Bobby.Colwell@txdot.gov or (979) 778-9764.

###

The Texas Department of Transportation is responsible for maintaining 80,000 miles of road and for supporting aviation, rail, and public transportation across the state. TxDOT and its 12,000 employees are committed to working with others to provide safe and reliable transportation solutions for Texas by maintaining a safe system, addressing congestion, connecting Texas communities, and being a Best in Class state agency.
